

RARI_S

Weekly Meeting

For the JPS meeting @Hokkaido

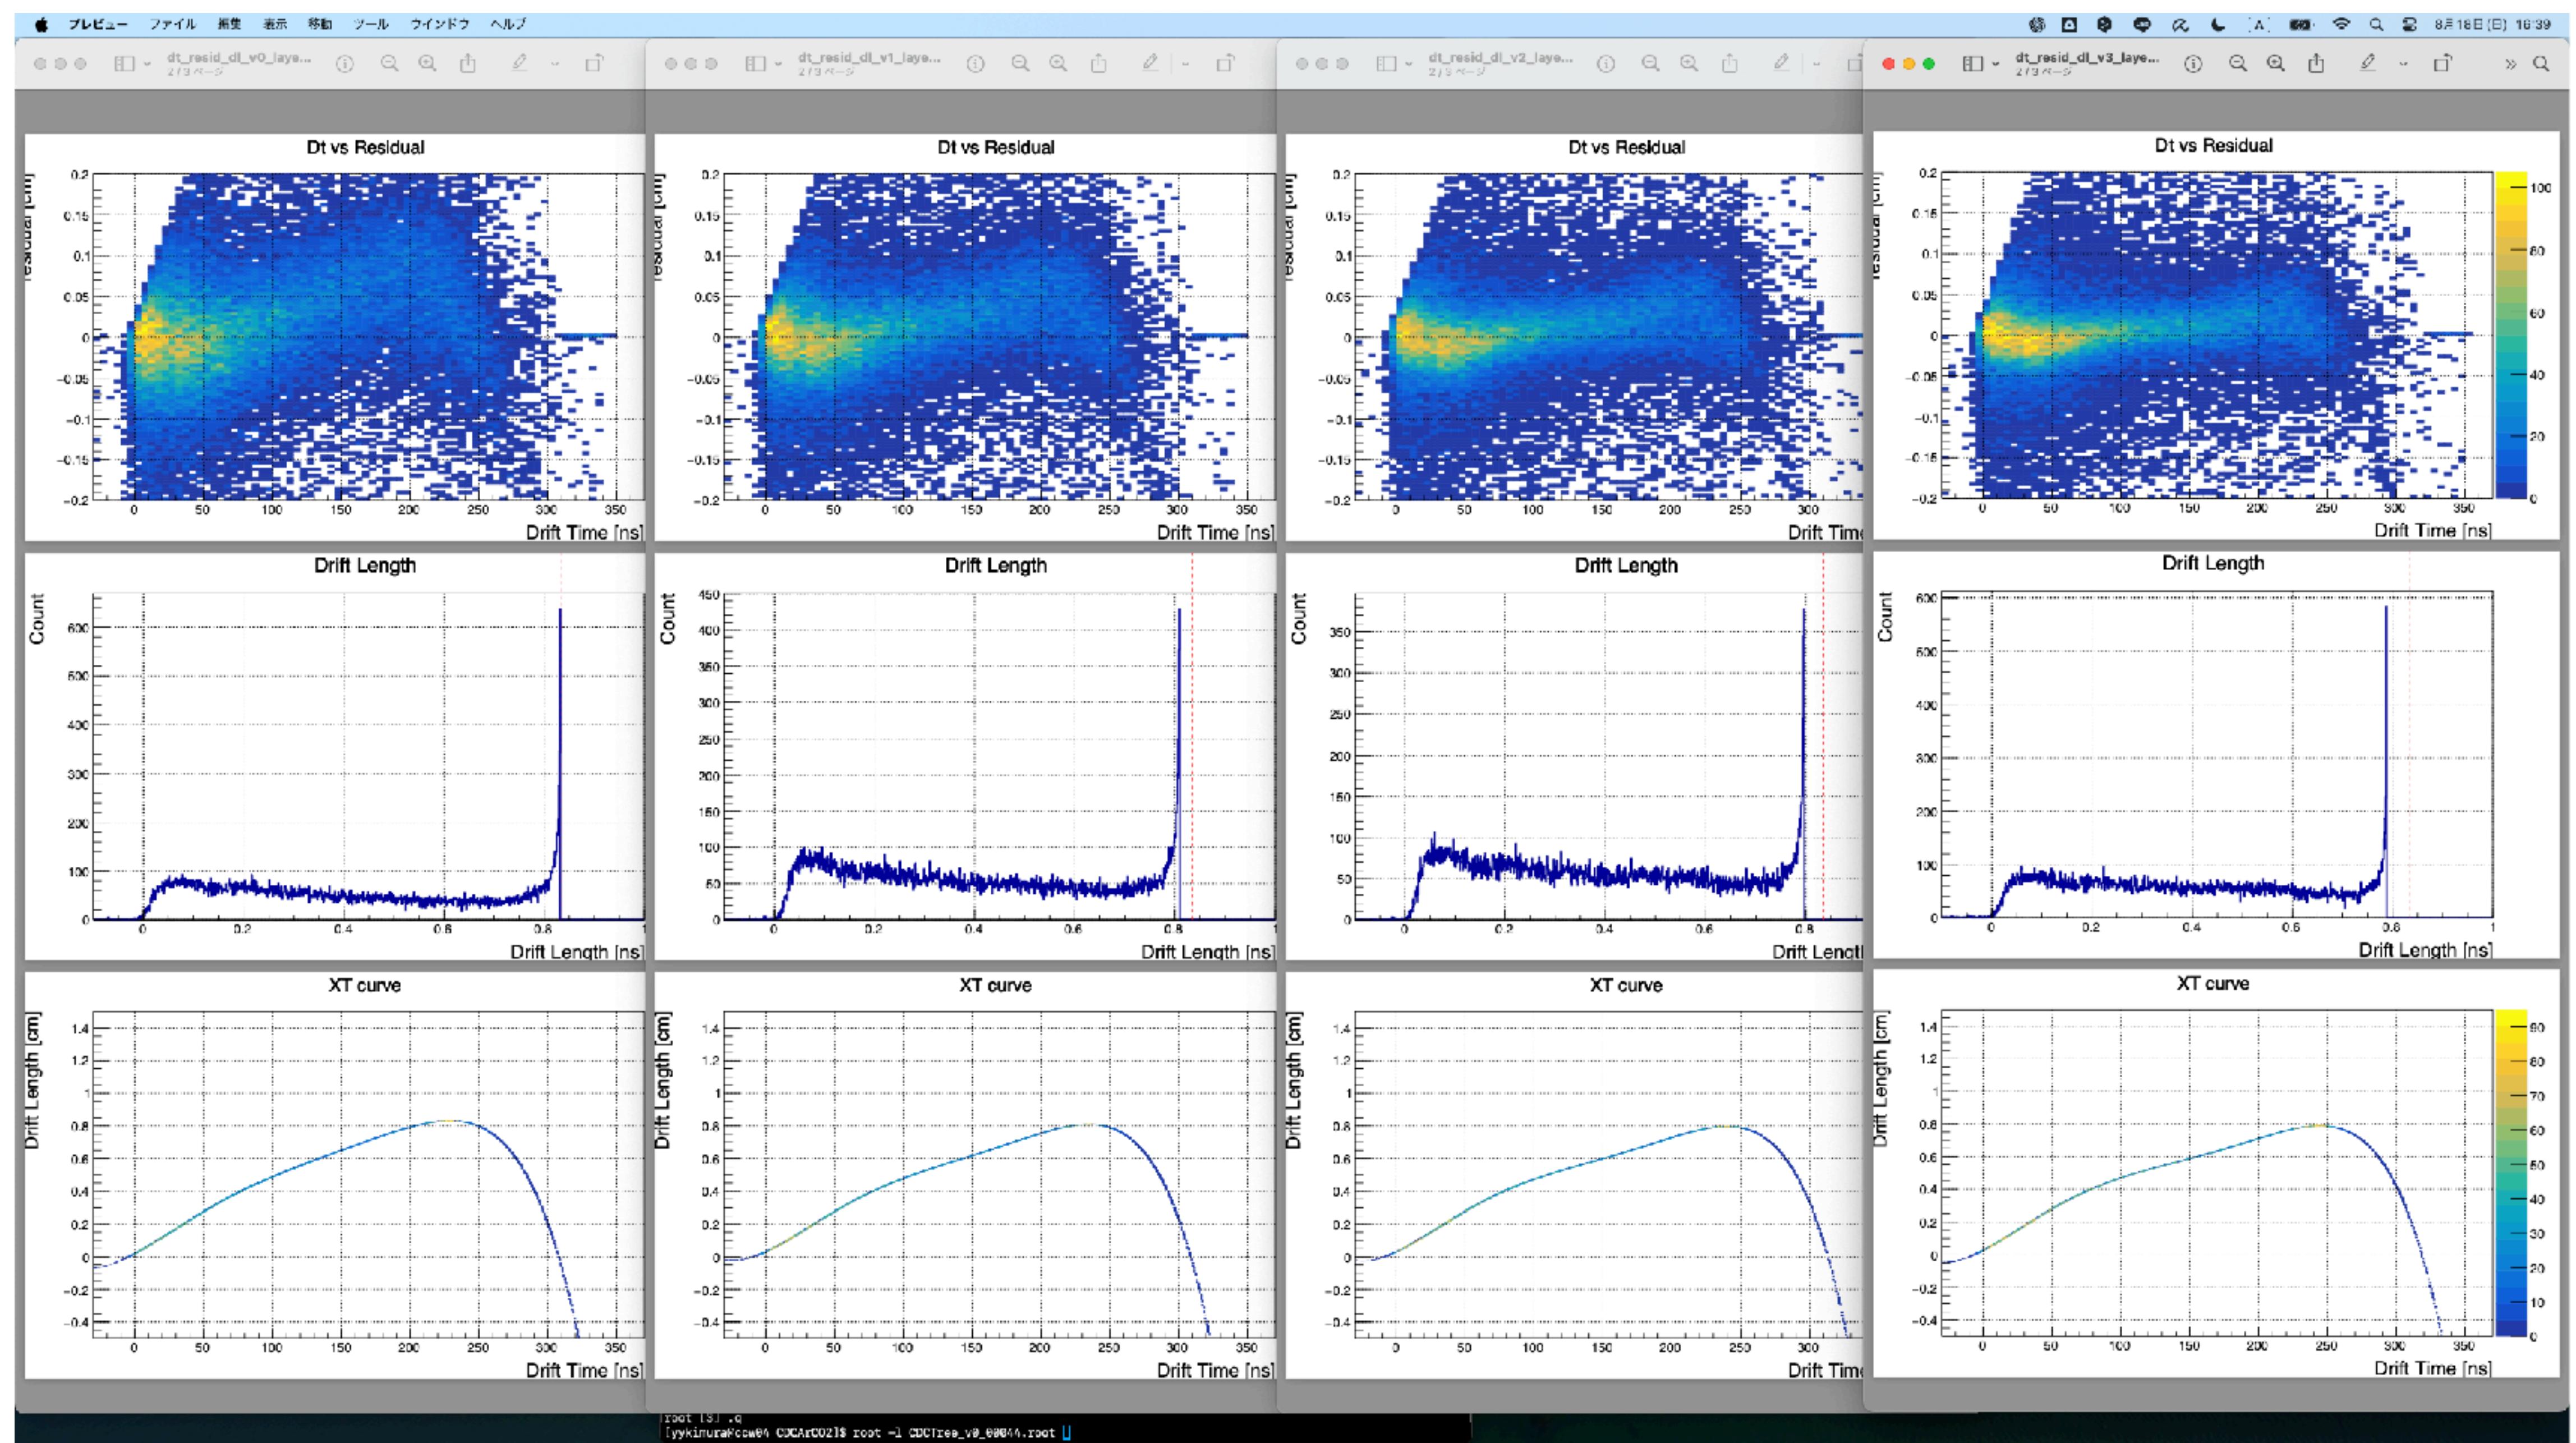

What I'm doing now

- Cable work for the new CDC @J-PARC
 - can distribute HV to wires by JPS
- Data taking & Analysis of current CDC with ArCO2
 - Check the Hit pattern, TDC, TOT, Multiplicity, with comparing to ArC2H6
 - Now, tuning XT parameter (Macro code seems not to work well,,,)

JPS meeting

- Residual vs HV
- Tracking Eff vs HV
- Compare to ArC2H6
- Compare to simulation
- (About new CDC)

What I'm doing now

Schedual

- Aug. 19~23 ; J-PARC
